01 · OVERVIEW

Who we are

A small, independent Romanian media network built around Daniel Mihai — combining editorial news sites with creator-led video and social content.

About Daniel Mihai

Daniel Mihai is a Romanian crypto KOL and YouTuber (**consultantacrypto.ro**) and the founder of **QuickExit.ro**. He publishes crypto market commentary and education for a Romanian-speaking audience on YouTube and X, and runs two Romanian-language news sites covering crypto and artificial intelligence. All links: **www.mihaidaniel.ro**.

Our properties

CRYPTO

stirilecrypto.ro

Romanian crypto news, market data and education. ~347 pages of original Romanian content.

AI

stiriai.ro

X

[X followers – to be added]

AUDIENCE LANGUAGE & GEOGRAPHY

Romanian-language content; primary market Romania [Geo split – to be added]

TOPICS

Crypto markets, news, education, AI business, AI tools & creator tech

Why partner with us

- **Transparent:** every paid placement is clearly labeled **"Sponsored / Sponsorizat"**.
- **Accountable:** every campaign includes a **30-day performance report**. We report actual results — we do not guarantee traffic.
- **Native language:** content written in Romanian by people who follow the market daily.
- **Flexible:** single placements, monthly packages, or cross-property bundles combining sites and creator channels.

02 · CRYPTO NEWS

stirilecrypto.ro

Romanian crypto news site with ~347 pages of original Romanian content, from daily news to market data and education.

Știri | Market Pulse | Interviuri | Academie | Market | Lichidări | Dashboard | Raport Strategic

Editorial pledge: no paid pump & dump promotion. Sponsored content is always labeled and kept separate from editorial coverage.

Rate card

> Every campaign includes a 30-day performance report with the actual results delivered. We do not guarantee traffic, views or conversions.

05 · TERMS & BOOKING

Terms, compliance & how to book

Simple, transparent terms designed to protect advertisers, our audience and our editorial independence.

Payment terms

- All fees are **fixed and paid 100% upfront**.
- Accepted: **USDT (TRC20)**, **USDC**, or **bank transfer** by arrangement.
- Performance commissions are possible only as an **optional bonus on top** of the fixed fee — never instead of it.
- Commitment discounts: **8%** for 3 months, **15%** for 6 months.
- Each campaign includes a **30-day performance report**. No traffic guarantees.

Compliance & content

- Crypto advertisers must be **MiCA-authorized** (or licensed in an EU member state and permitted to serve Romania) and provide **written confirmation**.
- Ad copy must be **fair, clear and not misleading**.
- All paid content is clearly labeled **"Sponsored / Sponsorizat"**.
- No paid pump & dump promotion. We may decline any campaign that conflicts with our editorial standards.

How to book

1. **Send a brief** — product, goals, preferred placements/package, timing and key messages. A brief is required before booking.
2. **Compliance check** — crypto advertisers provide written confirmation of MiCA authorization or equivalent EU licence.
3. **Confirmation & payment** — we confirm scope, dates and price; the fixed fee is paid 100% upfront.
4. **Production & publication** — we write/produce the content, labeled as sponsored, and publish on schedule.
5. **Report** — you receive a 30-day performance report.
